

NMAT Perceptual Acuity Practice Questions

Set 3: *Identical Information*

Directions: Each question contains a sentence, a biographical entry, or a combination of a name and address. The choices that follow are similar to the given information although written in slightly different ways. Choose the best answer that is identical to or that matches the given information in terms of punctuation, spelling, and word sequence.

1. Coyne E, Needham J, Rands H. Enhancing student nurses' medication calculation knowledge; integrating theoretical knowledge into practice. Nurse Educ Today. 2013 Sep;33(9):1014-9.

A. Coyne E, Needham J, Rands H. Enhancing student nurses medication calculation knowledge; integrating theoretical knowledge into practice. Nurse Educ Today. 2013 Sep;33(9):1014-9.

B. Coyne E, Needham J, Rands H. Enhancing student nurses' medication calculation knowledge. integrating theoretical knowledge into practice. Nurse Educ Today. 2013 Sep;33(9):1014-9.

C. Coyne E, Needham J, Rands H. Enhancing student nurses' medication calculation knowledge; integrating theoretical knowledge into practice. Nurse Educ Today. 2013 Sep;33(9):1014-9.

D. Coyne E, Needham J Rands H. Enhancing student nurses' medication calculation knowledge; integrating theoretical knowledge into practice. Nurse Educ Today. 2013 Sep;33(9):1014-9

2. Before taking ibuprofen, tell your doctor or pharmacist if you are allergic to it; or to aspirin or other NSAIDs (such as naproxen, celecoxib); or if you have any other allergies. This product may contain inactive ingredients, which can cause allergic reactions or other problems. Talk to your pharmacist for more details.

A. Before taking ibuprofen, tell your doctor or pharmacist if you are allergic to it; or to aspirin or other NSAIDs (such as naproxen, celexocib); or if you have any other allergies. This product may contain inactive ingredients, which can cause allergic reactions or other problems. Talk to your pharmacist for more details.
